

Lounge Hub setup guide

Before you start:

- Confirm your internet connection is stable.
- Keep your server URL, username, and password ready.
- Contact Lounge Hub support if your device uses a different app.

Steps:

1. Install the recommended IPTV app on your phone, tablet, or Chromecast device.
2. Log in using your Lounge Hub activation details.
3. Make sure your casting device and Chromecast are on the same Wi-Fi network.
4. Start playback in the app and tap the cast icon if supported.
5. For Chromecast with Google TV, install the app directly on the device when possible.
6. Restart the router if casting disconnects repeatedly.

Need help? Contact Lounge Hub with your device model and plan.
