

Lounge Hub setup guide

Before you start:

- Confirm your internet connection is stable.
- Keep your server URL, username, and password ready.
- Contact Lounge Hub support if your device uses a different app.

Steps:

1. Connect the Fire Stick to Wi-Fi.
2. Install the recommended IPTV player from the app store or approved installer.
3. Open the app and select login with provider credentials.
4. Enter the Lounge Hub server URL, username, and password.
5. Save, refresh, and wait for the guide and categories to load.
6. For smoother streaming, keep the Fire Stick close to the router or use 5 GHz Wi-Fi.

Need help? Contact Lounge Hub with your device model and plan.
